It is Express Compounding's policy to respect your privacy regarding any information we may collect while operating our website. This Privacy Policy applies to <https://expresscompounding.com/> (hereinafter, "us", "we", or "https://expresscompounding.com/"). We respect your privacy and are committed to protecting personally identifiable information you may provide us through the Website. We have adopted this privacy policy ("Privacy Policy") to explain what information may be collected on our Website, how we use this information, and under what circumstances we may disclose the information to third parties. This Privacy Policy applies only to information we collect through the Website and does not apply to our collection of information from other sources.

This Privacy Policy, together with the Terms and conditions posted on our Website, set forth the general rules and policies governing your use of our Website. Depending on your activities when visiting our Website, you may be required to agree to additional terms and conditions.

Website Visitors

Like most website operators, Express Compounding may collect non-personally-identifying information of the sort that web browsers and servers typically make available, such as the browser type, language preference, referring site, and the date and time of each visitor request. Express Compounding's purpose in collecting non-personally identifying information is to better understand how Express Compounding's visitors use its website. From time to time, Express

Compounding may release non-personally-identifying information in the aggregate, e.g., by publishing a report on trends in the usage of its website.

Express Compounding also collects potentially personally-identifying information like Internet Protocol (IP) addresses for logged in users and for users leaving comments on <https://expresscompounding.com/> blog posts. Express Compounding only discloses logged in user and commenter IP addresses under the same circumstances that it uses and discloses personally-identifying information as described below.

Collection of Personally-Identifying Information

Certain visitors to Express Compounding's websites choose to interact with Express Compounding in ways that require Express Compounding to gather personally-identifying information. The amount and type of information that Express Compounding gathers depends on the nature of the interaction. For example, we ask visitors who contact us at <https://expresscompounding.com/contactus/> to provide a name and email address.

Security

The security of your Personal Information is important to us, but remember that no method of transmission over the Internet, or method of electronic storage is 100% secure. While we strive to use commercially acceptable means to protect your Personal Information, we cannot guarantee its absolute security. We take precautions to protect your information. When you submit sensitive information via the website, your information is protected both online and offline.

Wherever we collect sensitive information (such as credit card data), that information is encrypted and transmitted to us in a secure way. You can verify this by looking for a closed lock icon at the bottom of your web browser, or looking for "https" at the beginning of the address of the web page.

While we use encryption to protect sensitive information transmitted online, we also protect your information offline. Only employees who need the information to perform a specific job (e.g, billing or customer service) are granted access to personally identifiable information. The computers/servers on which we store personally identifiable information are kept in a secure environment.

Links To External Sites

Our Service may contain links to external sites that are not operated by us. If you click on a third party link, you will be directed to that third party's site. We strongly advise you to review the Privacy Policy and terms and conditions of every site you visit.

We have no control over, and assume no responsibility for the content, privacy policies or practices of any third party sites, products or services.

Cookies

To enrich and perfect your online experience, Express Compounding uses "Cookies", similar technologies and services provided by others to display personalized content, appropriate advertising and store your preferences on your computer.

A cookie is a string of information that a website stores on a visitor's computer, and that the visitor's browser provides to the website each time the visitor returns. Express Compounding uses cookies to help Express Compounding identify and track visitors, their usage of <https://expresscompounding.com/>, and their website access preferences. Express Compounding visitors who do not wish to have cookies placed on their computers should set their browsers to refuse cookies before using Express Compounding's websites, with the drawback that certain features of Express Compounding's websites may not function properly without the aid of cookies.

By continuing to explore our website without changing your cookie settings, you hereby acknowledge and agree to Express Compounding's use of cookies.

Information Sharing

We may share aggregated demographic information with our partners and advertisers. This is not linked to any personal information that can identify any individual person.

We use an outside shipping company to ship orders, and a credit card processing company to bill users for goods and services. These companies do not retain, share,

store or use personally identifiable information for any secondary purposes beyond filling your order.

If your site has links to other sites, you might insert a paragraph like this in your privacy notice:

Some of our business partners may use cookies on our site (e.g., advertisers). However, we have no access to or control over these cookies.

Privacy Policy Changes

Although most changes are likely to be minor, Express Compounding may change its Privacy Policy from time to time, and in Express Compounding's sole discretion. Express Compounding encourages visitors to frequently check this page for any changes to its Privacy Policy. Your continued use of this site after any change in this Privacy Policy will constitute your acceptance of such change.
